GENERAL GUIDELINES

- ✚ The committee requires an approximate estimate of guests as far as possible in advance with a final number 2 weeks before the event. You plan for 100 and tell us 100 we will cook for 100. So if only 80 show up you will still pay for 100. The other way runs the risk of running out of food so try to be as accurate as possible with your numbers.
 - ✚ All cutlery and plates will be plastic
 - ✚ We will do our best to make your meal as delightful as possible! Please remember we are a volunteer group doing this on personal time so please respect the group's time.
 - ✚ Thank you for choosing our group for your event. All funds go towards the ORCA Group.
